**Little Footsteps Preschool**, a ministry of First Avenue Christian Assembly, is a non-profit, government licensed preschool centre. Little Footsteps is an **academic program blended with Christian values and principles**. Our program is designed to meet the early spiritual, social, physical and intellectual needs of children. Although the preschool is curriculum based, **we offer a balance of arts and crafts, science and discovery, dramatic play, gross motor play, fine motor activities, music and movement, sensory exploration, and circle time activities.**

## OUR PHILOSOPHY

**We believe that every child has been blessed with special qualities that deserve affirmation and celebration.** Our program provides opportunities for each child to develop a positive feeling about themselves as a capable and unique human being.

**We believe that the motivation to learn is intrinsic in every child.** We will provide a stimulating and challenging environment for each child, which fosters positive growth opportunities through our balanced curriculum.

**We believe in promoting a spirit of cooperation, not competition, among children.** We view all social interactions as opportunities for learning to care about one another and the world around us.
